

EasyFinish™

Diffuser and case cleaner

No matter how clean the coil in the evaporator is, a marked, discoloured or grubby-looking case can give the perception of a dirty unit. EasyFinish™ is a diffuser and case cleaner specially formulated to remove nicotine, grease and general grime, allowing engineers to leave everything clean and tidy.

Specification

Name	EasyFinish
Product Code	EYFH1201
Packing Quantity	12 x 500ml
Packing Size (L x H x D) cm	21 x 25 x 27
Shipping Weight (Kg)	7.7
Shipping Volume (m3)	0.0145
Application	Case & diffuser cleaner
Soils	N/A
Dilution (water:product)	NO
Contact Period	As required
Rinse/Flush Required	NO
Special Features	Suitable for all fan coil and cassette units

Directions for use

SHAKE	SPRAY	As required	CLEAN

Shake can well before use. Spray onto surfaces to be cleaned, from about 15cm. Allow EasyFinish™ to penetrate grease and grime. Wipe clean with dry cloth. EasyFinish™ has been tested and found safe for use on most surfaces. If in doubt, test on a non-critical surface.

	EasyFinish™ UN1950
	Extremely Flammable
<p>R12: Extremely flammable. S1/2: Keep locked up and out of the reach of children. S16: Keep away from sources of ignition - No smoking. S23: Do not breathe spray. S51: Use only in well-ventilated areas. S38: In case of insufficient ventilation, wear suitable respiratory equipment. S45: In case of accident or if you feel unwell, seek medical advice immediately (show the label where possible).</p>	

Consult Safety Data Sheet for full safety information. Always wear suitable PPE.

This product should only be used by trained operatives. The "directions for use" are recommendations only; correct use will depend upon circumstances. To the extent permitted, no liability can be accepted for loss resulting from its use. Advanced Engineering follows a policy of continual product improvement. For this reason, some materials and specifications could change without notice.
