Product Code	See Below
Packing Quantity	20 Cards
Packing Size (L x H x D) cm	30 x 26 x 16
Shipping Weight Kg	1.3
Shipping Volume M ³	0.0125
Application	Fragrancing Jelly
Soils	N/A
Dilution (Water:Product)	N/A
Contact Period	As required
Rinse/Flush Required	N/A
Special Features	Individually sealed blisters

Directions for use

Remove gel from packaging and place one or more tablets on a clean, flat surface, ideally just before the discharge grille. However, in cassette units, placing the gel on the back of the filter may be required. Once in the air stream, SmellyJelly® will begin to work. As it works it will evaporate and shrink. Evaporation rate varies with cooling/heating. Replace as required when fragrance has been exhausted. Place card with instructions inside unit for future reference.

SmellyJelly

S2: Keep out of the reach of children. S24: Avoid contact with skin. S28: After contact with skin, wash immediately with plenty of water. S46: If swallowed, seek medical advice immediately and show this container or label.

Consult Safety Data Sheet for full safety information. Always wear suitable PPE.

Part No.	Fragrance
